WHAT PEOPLE ARE SAYING...

“ Played here November 12th and can say I really enjoyed the course, it’s interesting but not overly difficult. It was in great condition.”

Lee W.

“ The course was beautiful and had generous fairways. Greens were fast compared to our home course but consistent with the other places we played during our trip. There are some fairways and green side bunkers that reminded me of the Old Course at St. Andrews.”

Stanley Y.
