Travel Changes Young Lives for Good

GIVE THE GIFT OF TRAVEL
THIS HOLIDAY SEASON

Honor your clients this holiday season with a gift that helps a young person experience the life-changing power of travel.

The SYTA Youth Foundation helps young people access meaningful travel experiences that may otherwise be out of reach.

Instead of sending a traditional holiday gift, consider making a donation to SYF in honor of your clients.

ANNUAL GIVING SOCIETY

$250+ donors become part of SYF's Annual Giving Society, our community of annual supporters helping more young people experience the transformative power of travel.

WHY GIVE THIS WAY?

- **A more meaningful holiday gift**
- **Supports life-changing student travel**
- **A simple way to honor your clients**
- **Saves time and reflects your values**

We will share sample messaging and graphics to help you tell your clients you gave the gift of travel this season.
